Authorization for this examiner's amendment was given in a telephone interview with William Westerman on 6/21/2005.

The application has been amended as follows:

IN THE CLAIM:

Claim 8, lines 7-10, a limitation "... and wherein where said pickup is ... in a low level" are deleted due to typographic error.

The examiner and applicant have agreed upon the deletion of the indicated limitation in above claim.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 1, 4-8 are allowed over the prior art of record because all the references in the record, considered as closest references and viewed in combination or individually, fails to suggest or fairly teach an disk apparatus for setting to a counter a count value corresponding to the number of tracks to jump over including a combination of all features as recited in claim 1. Claims 4-8 fall with their respective parent claim.
